Re: Year End Report

Dear Mr. Secretary:

The Pre-general campaign report filed in your office showed an ending balance of \$6,720.84. The report showed a contribution of \$100.00 to Bob Faehn for House. (Check #2820). The actual contribution was \$200.00 as reflected in the SD I-Pac report attached. Therefore, the ending balance should have been \$6,620.84 as reflected in the year-end report.

#### Schedule A – Direct Contributions

This schedule is used for reporting all direct contributions. You must keep a record of all contributors, but for this report you may combine all contributions of \$100 or less from individuals and enter this sum as unitemized contributions on the first line below. Any contribution of more than \$100 or aggregate during a calendar year from an individual and all contributions from political parties and PAC's must be entered as a separate item (itemized) giving the amount, name, residence address, city and state of the contributor. Any contribution from a federal political committee or political committee organized outside this state shall also include the name and internet website address of the filing office where the committee regularly files. Each type of contributor has their own section for itemization. This schedule may be duplicated if you need more space or you may attach additional sheets of paper.
